Strategies for Maximizing Asset Value

Today's corporate real estate managers confront a world where information flows faster and competition becomes more intense every day. To meet the demands of today's marketplace, NAI Commercial provides not just traditional consulting services, but deeply committed strategic relationships designed to help our clients maximize value and minimize risk. And make the most out of every property you own.

A full arsenal of resources

Associated with NAI, one of the world's largest and most experience commercial real estate organizations, we can provide a full range of sophisticated competitive weapons to help you achieve your strategic objectives. These capabilities include:

- Strategic planning for the disposition of surplus properties
- Asset management
- Brokerage
- Property management
- Lease audits
- Appraisal
- Innovative financial strategies

A Single source of Accountability

When you deal with NAI Commercial, you don't have to spend your valuable time negotiating through a web of departments and changing faces. Instead, you deal with a single contact: an NAI Corporate Service Executive (CSE) whose responsibility it is to "own" your account and coordinate all the services and solutions you need.

A Single Source of Information

The more you know, and the sooner you know it, the better you can maintain control of your projects, develop new solutions, and respond to potential problems. With NAI Commercial, you get the timely and accurate information you need in one concise portfolio report.

A World of Expertise. Right Where You Need It.

With NAI Commercial, you get the best of both worlds: the global reach of today's largest source of commercial real estate services, in addition to the expertise and control of a management team that understands the corporate and institutional marketplace.
