

## Global Coverage

### A global network – just a click away

- Over 350 brokerage offices and 5,000 local property market experts throughout the USA, Canada, Latin America, Europe, and the Asia-Pacific Region.
- Unparalleled knowledge of local markets.
- And a world of experience in transactions, marketing, and representation for buyers and tenants both large and small.
- The NAI global commercial real estate service delivery system is the largest of its kind.

### Just tell us what you need

The skilled and seasoned professionals of NAI Commercial are prepared to provide virtually any service you require, from initial market research through financial analysis and negotiation. These services include:

- Tenant representation
- Buyer representation
- Sales
- Leasing
- Subleasing
- Major project marketing
- Portfolio marketing

### Real results. In real time.

Now you can get the information you need faster than ever before. NAI Commercial gives you the power of REALTrac™ Online, a sophisticated transaction and portfolio management system that enables users to post current activities, track individual project status, maintain files on acquisition and disposition activities, establish timelines and completion schedules, employ lease administration applications, and create concise portfolio reports on demand.

### Strategies for successful marketing

When property needs to be sold or leased. NAI Commercial's marketing expertise can help you minimize the selling/leasing cycle and maximize the value. Combining our in-depth market knowledge with our extensive marketing experience, NAI Commercial provides creative and effective marketing solutions for both complex and routine situations.
