

Marketing Services

State-of-the-art. Cutting-edge. Award-winning. Tried-and-true. Innovative

What does this mean for our clients?

- Increase control
- Real-time visibility and tracking of assignment activity.
- Efficient processes.
- Anytime, anywhere access; secure instant communications and document exchange.

Effective solutions

- Client-driven, tested and proven solutions that meet real needs.
- Our in-house marketing department delivers professional-quality materials tailored to your property's unique characteristics. All of these value-added services contribute to the best custom approach for your unique real estate needs.

Direct Mail

- We market special use properties by direct mail to specific users through letters and custom mailing pieces.
- For individualized mailing lists, we look to our extensive in-house database of past, present and potential clients. We also utilize other resources online, on compact disc and in print. These resources allow us to target criteria important for your property.

Signage

- Highly-visible and very recognizable signs generate calls and reinforce our image in the market. Customers continually comment, "I see your signs everywhere!"

Internet

- When we enter a client's property into our online database, it is visible through our website and Loopnet.com on a global basis.
