International Engineering Firm Expands Presence to Canada by Acquisition

Vancouver, B.C.—(February 10, 2006) — NAI Goddard & Smith is pleased to announce the sale of Hamilton Associates, a Vancouver based Engineering Consulting firm to Opus International Consultants. The combined firm has been renamed Opus Hamilton.

Opus is a large international consultant with expertise in transportation engineering and planning, civil engineering, building design and construction, water and environmental management and transport. Opus, is based in New Zealand and operates in Australia and the U.K. The acquisition results in Canadian offices in Vancouver, Kelowna, Calgary and a US office in Detroit. The combined operations now have approximately 1,700 professional staff worldwide.

Opus engaged NAI Goddard & Smith's Business Advisory Practice to seek compatible partners for their North American expansion. Elizabeth Wozniczko and Ted Stellakis of our Vancouver office facilitated this business combination. Price is undisclosed.

NAI Goddard & Smith is a full service commercial real estate firm with offices in Vancouver, Victoria, Langley and New Westminster, B.C. and Calgary, Alberta.

NAI Global is the world's leading managed network of more than 300 commercial real estate firms spanning the globe. Since 1978, our clients have built their businesses on the power of our expanding network. NAI Global's extensive services include multi-site acquisitions and dispositions, sublease, tenant representation, lease administration and audit, investment services, due diligence and related consulting and advisory services.
